- +2% beyond thirty (30) days of invoice and for each additional thirty (30) days of invoice

GUARANTEE:

It is the responsibility of the user to ascertain the suitability for use of the VALVE. NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR THAT EXTENDS BEYOND THE DESCRIPTION BELOW, IS GIVEN.

Every **VALVE** manufactured at **THERM-OMEGA-TECH, INC.** is completely tested before leaving our facility. This gives you the assurance that the units will perform reliably and according to specifications. All new **VALVES** are warranted for eighteen (18) months against defects in materials or workmanship. **VALVES** that are all stainless steel are warranted for thirty-six (36) months against defects in materials or workmanship. Magnum GURU, GURU DL 2.1, Therm-O-Mix Stations, and Washdown Stations are warranted twelve (12) months against defects in materials or workmanship.

The warranty expiration date is calculated from the date of manufacture (MM/YY) as noted on the valve.

RETURNS FOR CREDIT:

TOT should be consulted prior to any return of products. TOT will issue a Return Material Authorization Number (RMA#) and instructions for the return of the valve for evaluation. No credits, refunds, returns or charges of any kind will be accepted by TOT without prior written approval. Any materials of standard design returned for credit will be subject to a 25% restocking charge if inspection determines equipment is in first class resalable condition. Any rework required will be deducted from the credit in addition to the 25% restocking fee. All returned material should be shipped prepaid to the TOT.

Custom designed valves are not returnable
